PLATINUM JUBILEE COMPETITION

Reverend Roger has sent us this information about a super competition to celebrate 70 years of service of Her Majesty the Queen. 'Open the Book' would like to invite our pupils to take part in their Platinum Jubilee competition which is open to any primary age schoolchild. They would like you to use any Bible verse or story that talks about the importance of service as your inspiration to send them your best drawing, poem, comic or short story of no more than 500 words. Here are a few ideas:

'Each one, as a good manager of God's different gifts, must use for the good of others the special gift he has received from God' (1 Peter 4.10).

'There is more happiness in giving than in receiving' (Acts 20.35).

'For even the Son of Man did not come to be served; he came to serve' (Mark 10.45).

'And my Father will honour anyone who serves me' (John 12.26).

Submit entries by 5 pm on 29th April by emailing attachments to competition@openthebook.net Please include the name of the pupil, age, school, adult contact name and a phone number, and confirm that parental permission has been given.

DULWICH PREP SCHOOL CRANBROOK EXPANSION

We have attached a letter to this week's NewsBrief from Dulwich Prep School Cranbrook, regarding their expansion into Years 9, 10 and 11. They have also introduced a Governors' Award programme which provides funded, means tested places.

CHANNEL 4'S SHOW-THE DOG HOUSE.

We have been contacted by the producers of the TV production 'The Dog House', as they are casting for a brand-new series and searching for individuals, friends, couples and families who would like to offer a rescue dog a loving home and share their story as part of the next series.

The Dog House is set at the animal charity 'Wood Green' in Cambridgeshire and has been described as both 'charming' and 'compassionate'. The programme follows prospective owners as they are matched with a rescue dog, specially selected by the expert team of matchmakers at Wood Green. In the previous series, they found that there are many reasons people might wish to bring a dog into their lives; loneliness, extra company for a child, health needs, or living in the moment more! The series tells the story of both humans and dogs, as they prepare to meet each other for the first time. Petting and cuddling dogs have also been shown to relieve stress and help people relax.
