CONGRATULATIONS REVEREND ANDY

Reverend Andy at the door of St Mary's

Our congratulations, prayers and good wishes go to Reverend Andy, who was ordained a priest at Rochester Cathedral on Saturday 25th September by the Bishop of Tonbridge, the Rt Rev Simon Burton-Jones.

A person is ordained a deacon once they have completed their initial ordination training. Following ordination as a deacon, they begin a period of 3 years within a parish - known as a curacy - during which they work alongside an experienced priest to gain a wide experience of ministry in church and community.

After a year of curacy, the next step for Reverend Andy is his ordination as a priest.

PUPIL CHRISTMAS CARD DESIGNS

Today all children who are in school, will bring home their art design and ordering information, from Cauliflower cards, for their Christmas card designs. These designs can be made into cards, tags, paper, gift mugs and books.

Parents should follow the ordering and payment instructions and return the original art design to school by, latest, next Friday 8th October.

Parents will not receive their orders unless their child's original artwork is returned to school by Friday 8th October.

SCHOOL PRAYER AND BLESSING

New families to our school may like to share our school prayer and blessing at home.

Over time, children at our school learn and remember our prayer and we share our blessing, with actions, as our 'Sending prayer' at the finish of each assembly worship. Do ask the children to show you the actions-the younger children may need help to recite the correct words.

Dear Lord,

Let there be 'Learning for life in the love of God' and let it begin at Lamberhurst School

Let there be peace and let it begin with my friendship.

Let there be love and let it begin in my heart.

Let there be happiness and let it begin with my smile.

Let there be forgiveness and let it begin with me.

Let my prayer be answered and let it begin with my faith today. Amen

May God the Father bless us
May God the Son take care of us
May God the Spirit help us to understand
All the days of our life

Amen

MAPPING IN THE HIGH WEALD

This week Year 3 and Year 4 have been out and about in the village as part of their Local Geography studies for this term.

Their Field Study Mapping Lessons were led by Rachel Bennington, Education Officer, High Weald Area of Outstanding Natural Beauty.

Checking the maps to find the way!

CROSSING THE ROAD SAFELY

Please could parents of all children who walk home on their own or walk from the school gates to meet their parent somewhere in the village, remind the children about crossing the roads carefully.

We were contacted this week by a member of the public who wrote out of concern for one of our pupils:

'We were driving in Lamberhurst yesterday at the common area, a girl, possibly from your school (red uniform) (possibly year 5/6) ran out to cross the road in front of our car. She wasn't hit but it was a shock for us - not sure if she noticed.

This was at the cross roads - she came from the Brown Trout side, heading towards The Vineyard. That junction can get hectic and as there are bushes and no path on the part where she was crossing, it is hard to see anyone walking. Just thought it was worth a mention.'
