GREAT NEW FREE MATHS APP

This first version of the app is aimed at Key Stage 1 pupils, and focuses on adding and subtracting - and on 'Subitising'. The free mobile app is available for Apple/iOS, Android and Kindle. It can be downloaded free on the Apple App Store and Google Play Store. 1-Minute Maths offers children engaging and easily accessible practice in basic number. There's no specific route or starting point. Having chosen a topic, each user answers a series of randomly generated questions (a different set of questions every time means they learn the concept, not a sequence of answers) When the one minute's up, the questions are automatically marked and presented on a breakdown screen, giving instant feedback on how they've done. If they're struggling with a question, a 'Hint' button reformats the question as a familiar manipulative display that mirrors the approaches used at school in the White Rose Maths learning resources.

AFTER-SCHOOL CARE CLUB

We would like to apologise again for the inconvenience caused by the cancellation of our After-School Care Club this week, due to Covid infections and staffing capacity. Unfortunately, we will not be able to give a definite confirmation that the club will run on Monday, until staff have a negative LFT over two consecutive days. If we do get this information on Sunday, a ParentMail message will be sent.

MINOR CHANGE TO YEAR 6 'GREASE PRODUCTION' VISIT

FOOTBALL, SEWING AND DANCE CLUB

PICK UP ON THURSDAY'S

There are now around 60 pupils attending these clubs on a Thursday after school, which has required us to reconsider collection arrangements due to safety issues.

With immediate effect, the school Car Park gates will be closed on a Thursday as the Football Club Coaches come out. They will remain closed and there will be no vehicle movement through the gates until all children have been dismissed.

Dance Club and Sewing Club pupils will be dismissed via the pedestrian gate and both Football Clubs via the Car Park gate.

Parents who would like their children to walk and meet them away from the school gate or entrance must send an email to the school office.

Teachers and Coaches must not walk children any where away from the school gates and may not dismiss the children to walk alone unless written email permission is provided.

Please do not drive into the school Car Park at this time or try to turn cars at the top of Pearse Place, so that we can keep all children and parents safe. As always, we very much appreciate your support.

YEAR 3 FOREST SCHOOL

Don't forget to get your Forest School clothing and footwear ready this weekend.
