ECO CLUB NEWS

Eco Club has three pieces of exciting news to share with everyone. Last week in our Celebration Assembly Ella, Grace, Seth, Sofia and Joshua gave a very impressive report to the whole school.

'First of all, we are very excited because we have been awarded our 'Bronze Award'. We earned this award because we have pupils from every class on our Eco School Committee, we hold regular Eco Club meetings, we have an Eco notice board with the minutes of our meetings and other interesting and important Eco information and we completed our Environmental Review-creating three goals:

To focus on energy usage, the school grounds and waste.

We are now working towards the Silver Award, thinking about involving the whole school and our community and doing some curriculum work related to the Eco-School topics.

Secondly, since the beginning of this term representatives from each class have been collecting our fruit waste and putting it into the compost bins after snack time.

Finally, the PTA agreed to fund us for our first batch of Beeswax Wraps.

We now have the equipment and we are beginning to make them.

We are still collecting crisp packets and old pens, as well as litter picking around the school grounds.'

The first production of Beeswax wraps above.....which required some technique adjustments after Mrs Fairburn and the Eco Team set off the fire alarms and gave the whole school a Fire Evacuation practice!!!!!!
