### TV STARS NEEDED!

We have been contacted by 'rdf television', which produces the hit BBC One prime time series 'Eat Well For Less?'

They are currently casting for the 8th series and are looking for families / households who would like to eat well and save some money on their weekly shop.

*"The show is on a mission to prove that it is possible for families and households to save money on their food budget without scrimping on taste and nutrition. We hope that by analysing the shopping habits of UK families, we can help to show where they can source the best and cheapest quality food."*
