OPEN DAY 2019

Tomorrow, Friday 5th July is our Annual Open School Day and families are very welcome to join us for the exciting timetable of events, which everyone received last week with the newsletter.

We have also attached the timetable again to this week's newsletter.

The school hall will open at 9am for the choir performances and every pupil in the school will sing in a choir. Infant choir-YR, Y1 & Y2. Junior Choir-Y3, Y4, Y5 & Y6.

The classrooms will be open for parents and families to visit from 9.45am. All pupils must remain in their own classrooms but may join parents at lunchtime for a picnic lunch. Pupils who have school lunches will have a special 'Grab Bag' lunch to eat outside and every pupil will also receive an ice-lolly from the governors.

PLASTIC FREE WEEK

Our Pupil Led Eco Club are leading a Plastic Free Week in school next week.

The children will be presenting a powerpoint talk to the whole school on Monday to highlight this international cause.

Eco Club really needs everyone's help from Monday 8th July. Eco Club challenge you all not to bring in any 'one use' plastics. So no plastic bags in your lunchboxes or for snacks. No cling film. No one use plastic bottles. Can you do it?

Yes you can!

SPORTS DAY 2019

Remember to come to school in your PE kit on Monday 15th July ready for Sports Day at 9.30am on the village field behind the Chequers pub.

Pupils should come to school for registration as usual at 8.45am. Classes will walk with their teachers to the field.

Parents and family members are very welcome to join us and the event usually takes about 2hrs. Please remember to wear sunhats and bring a water bottle filled with fresh water.

Parents can bring blankets and chairs. Please sit well back from the track and do not allow younger children or dogs to run onto the track.

This is to avoid accidents.

PE kits will, no longer be needed in school after Sports Day until September.

ANOTHER NEW CLUB!

We are very excited to announce another new after school club for September to add to the amazing range of choices for our pupils.

Each week children will produce a different model to bring home including: catapults, pneumatic monsters, windmills, gliders, balloon cars and much more!

Parents can book their children a place via the online booking page:
