PLATINUM JUBILEE TREE PLANTING

The Queen's Green Canopy is a unique tree planting initiative created to mark Her Majesty's Platinum Jubilee in 2022. This nationwide programme encourages people from across the UK to Plant a Tree for the Jubilee.

The national tree initiative will see trees being planted by individuals, community groups, schools, businesses and councils to create a network of trees that will help support the environment and fight the climate crisis. There will be specimen trees, avenues, copses and woodlands being planted to commemorate The Queen's 70 years of service to the nation. Existing woodland will also be dedicated to Her Majesty so that forests will be preserved for the future.

Kent County Council is working with a range of partners to deliver the initiative for the county and is keen to include schools in the work.

We would like to express an interest in being involved in planting trees to mark the jubilee and are looking for a keen and willing parent to lead the initiative for us. This will include galvanising a few troops to plant the saplings if we are chosen. Please contact Mrs Bromley if you would like to be involved in this historic project. We are told that further details and practicalities etc are to follow.

THE KINDNESS OF MILLY

Following a gift voucher given to her by family this Christmas, Milly told her parents Andy & Pam that she would like to use the money to buy presents for the children at the Pembury Children's Ward this Christmas.

She chose a variety of gifts for both boys and girls, and met the fabulous nurses at Pembury hospital on Monday to give them the presents. They were incredibly grateful. Well done Milly!
