## SPEAKING IN TONGUES!

A team of 8 pupils from Year 5 represented our school at the Kent College Modern Languages Day last week. They took part in lessons in French, Spanish and German including the drama workshop above.

Well done to the team and a big Thank you to Madame Denham and Sue Mcnamara who accompanied the children for this wonderful experience.

## TV STARS NEEDED

RDF Television are currently on the lookout for families and households who would like to save some money on their monthly spend.

This prime time series shows viewers how to spend without the splurge, helping to rein in spending but retain the lifestyle we all want. With a few simple tricks, we can all learn to buy better and spend less. When should you save your money? And, just as crucially, when should you invest in spending a little bit more? This fun, surprising and perfectly practical series teaches us all the tricks of the trade we need to SHOP WELL... FOR LESS.

Smart spending is an issue which we believe affects most of us and we'd be really grateful if you could help us spread the word about the new series.

This series, we're also making a Christmas special and are on the hunt for a family who LOVE Christmas. Steph and Alex will show a family how to stuff that Christmas stocking, bejewel their entire home and choose the present that'll never be re-gifted and still leave them change for a mince pie and a glass of mulled wine.
